Arden Kephart

Dedication

We the Senior Class of 1967 dedicate this yearbook to Arden Kephart with a feeling of gratitude, admiration, and respect. Mr. Kephart is a dedicated and zealous worker, and these fine qualities have greatly influenced us and given us much inspiration.

He is an alumnus of Indiana State College, having graduated in 1961 with a Bachelor of Education degree in Music. Mr. Kephart, the director of the band and chorus as well as the music instructor for the elementary schools in the school district, has been teaching at West Branch for five years.

He is married, and is the father of two preschool children. He is an active member of the E.U.B. church of Bigler. An avid sportsman, he enjoys both hunting and fishing.

Mark and Dayna,
Mr. Kephart's children

On the way to Easter Service

Foreword

No author has expressed any better my counsel to the Class of 1967 than Harold E. Kohn in one of his essays in "Reflections."

"Every environment is less than ideal. Every job has its disagreeable aspect. Everyone we meet will have some faults that will not yield to our attempts to reform. Every person has his own kinds of temptations and problems and trials, his own handicaps and sorrows. This is not the way we should like our existence to be, but this the way life is. If we cannot change the whole universe to suit us, we can be changed to equal the universe."

May you be adaptable in meeting the changes which will occur.

My best wishes go with each of you.

Harry N. Hays
Supervising Principal.

Senior Class History

Officers

SEATED: C. Lequar, Treasurer; B. LeGrand, Secretary. STANDING: B. Allen, Vice-President; E. Larson, President.

We, the Senior Class of 1967, having been the first Freshman class to enter the halls of the new West Branch Area High School, have had many interesting and thrilling experiences.

To lead us through our freshman year we chose: Don Folmar, President; Nancy Petrof, Vice-President; Mary Snedden, Treasurer; and Bonnie Allen, Secretary.

New to the atmosphere of a new high school, we learned the pros and cons of high school behavior which prepared us for our future years.

As Sophomores we elected: President, Nancy Petrof; Vice-President, Carol Emanuelson; Secretary, Sharon Bumbarger; and Treasurer, Linda Burge.

We had many odd experiences as sophomores, remembering most of all our picnic at the end of the year.

During our Junior year we traveled to Gettysburg to observe the historical sights. Soon afterward it was decided that our class colors would be teal blue and white; our class flower, a tinted carnation; and our class motto, "We will do our best and God will do the rest." To help us carry out plans for the prom were our officers: President, Carol Lequar; Vice-President, Nancy Petrof; Secretary, Carol Emanuelson; and Treasurer, Sandy Folmar. The annual Junior Prom was held May 14, 1966.

"Al di La" was selected as the theme of our prom, along with a Roman atmosphere. Our Junior Class Play, "No Man Alive," under the direction of Frank Lingenfelter, was presented by a group of ten amateur actresses, who did a very fine job. We ended the year with a picnic, which proved to be interesting and a lot of fun.

As Seniors, we were faced with making decisions for our future careers, along with plans for graduation, the Washington Trip, and the Senior Play.

Our Washington Trip involved climbing the Washington Monument, touring the Capitol Building, pillow fighting, and blisters!!

"Too Many Girls," our Senior Play, directed by Albert Zinz, proved to be very successful.

Before we realized it, graduation was upon us. Many tears were shed as we slowly walked through the corridors of our Alma Mater for the last time.

We concluded our Senior year with a graduation dance, where "Congratulations" and "Good Luck" were wished for our future.

Junior Class History

During this memorable year we selected our class colors — azure blue and silver; our class flower — white rose tipped with blue; and our motto — "We have crossed the bay; the ocean lies before us."

Our activities included our Junior class play, "Get Witch Quick," our Gettysburg Trip, and our class picnic on the last day of school.

Among these events, the most memorable was, of course, our Junior Prom. It leaves us with many sentimental and glorious memories and a desire to enter our last year of high school with the hope of acquiring as many achievements and memories as this past year has held.

SOPHOMORE CLASS HISTORY

When we entered West Branch in September as Sophomores, we looked forward to an exciting year.

To lead us we chose Roberta Lutz as President, Martha Mandel as Vice President, Janice Moriarty as Secretary, and Kathy Dullen as Treasurer.

Among other activities, such as candy sales, we sponsored a Thanksgiving-Victory Dance, November 21, 1966, in the cafeteria.

We are looking forward to our Junior and Senior years with great anticipation.

The West Branch Chorus, under the direction of Mr. Arden Kephart, has been very busy this past year preparing for two concerts and various other appearances.

The Christmas Concert, a new feature at West Branch, was a combined chorus and band activity. Also during this season, the Chorus presented several songs at the annual all-school Christmas Assembly.

Then, in March came the Fifth Annual Spring Chorus Concert and, a few weeks later, a performance for the Business and Professional Women's Club of Philipsburg.

At the close of the school year, the Chorus wished the graduating Seniors "best of luck" with their presentations at the commencement and baccalaureate services.

Student Council

The prime objective of the Student Council is to supplement and improve the social life of our school. Along this year's activities were the Jamboree and the publication of a handbook in cooperation with the Orenda Society.

The Jamboree was a benefit to provide funds for the video tape recorder to be purchased in the near future. Stu Chamberlain, of radio station WCPA, along with amateur and professional performers made the show a success.

The handbook is designed to help the student find his way through high school. It is to be released next year.

Special thanks go to the advisors: Mr. Kassab and Mr. Livergood.

The Orenda Society, organized in 1965, is West Branch Area High School's chapter of the National Honor Society. The name Orenda means medicine man, which stands for wisdom and foresight. The purposes of the club are to promote enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character.

The Orenda Society is made up of the Junior and Senior students who have proved themselves to be responsible persons, both scholastically and socially. In order to become a member, one must have maintained a ninety percent average for three consecutive grading periods and must participate in at least two activities. The students who have attained these requirements are then rated by the faculty according to their qualities of character, service, and leadership. The induction day is the culmination of all this investigation and evaluation; and the chosen students and their parents are honored before an assembly of the entire Senior High.

The Orenda Society carried on a visitor tour service for the school, had a tea for the faculty members in honor of National Education Week, and conducted weekly opening exercises during the past school year. The Society attended several cultural events for the combined purposes of entertainment and education.

The paperback book store is one of the club's services to the school. Club members sell and replenish the number of books kept in the library.

At the meetings, held the second Wednesday of every month, programs demonstrate filing of book cards; and films show how to utilize the library to its fullest value.

The field trip in the spring was the highlight of the year's activities. The members perform a valuable service to their school.

It was formed to bring together sophomores, juniors, and seniors who are interested in careers in nursing and medicine. The club helps them to become familiar with the requirements of the medical profession.

At the meetings, interests are shared, opportunities are explored, and guest speakers add the professional advice that is necessary.

The West Branch Chapter of the Future Homemakers of America was organized for the purpose of broadening the student's interests in home-making. Recently a Junior Home Economics Club has been organized for junior high girls. Many activities have been successfully carried out during the past year. To mention a few, the girls attended a Farm Show at Harrisburg, planned a swimming party, and attended a Mother and Daughter banquet, during which, the main attraction was a fashion show presented by members.

In order to raise money the members sold Christmas cookies and Easter eggs.

Tri-Sci Club

Officers

As we look back on this year we find it has been one of the most active years for Tri-Sci.

Tri-Sci, with its prime objective to cultivate within its members an interest in science, has experienced many new projects this year. One project, the donkey basketball game, which the students won by a score of 6-4, set the students against the faculty for some good-natured rivalry.

In honor of this year's seniors, the club adopted a 12-year old orphan boy, P. Dharmaraj, through United Christian Children's Fund.

The club corresponds with Dharmaraj; original letters along with a literal translation of each language are exchanged between them.

Varsity Football

The West Branch Warriors came into the '66 season with a ten-game schedule and high hopes.

They opened the season by dropping a heartbreaker to Curwensville, but the Warriors bounced back to defeat Purchase Line. A hard-fought game followed with Bellwood-Antis emerging the victor. Then the Warriors trounced Penns Valley and in turn were set back by Bald Eagle Area. An overwhelming victory over Glendale gave the Warriors the impetus needed to pull the upset of the year over previously undefeated Juniata Valley. A victory over Bucktail and a defeat by Philipsburg brought them to the most exciting and breathtaking game of the season against Mo Valley. After being tied the entire second half the Warriors rose to the occasion and went ahead to win in the closing seconds; thus ends one of the most successful years with a winning season of 6 wins and 4 losses.

Junior Varsity Football

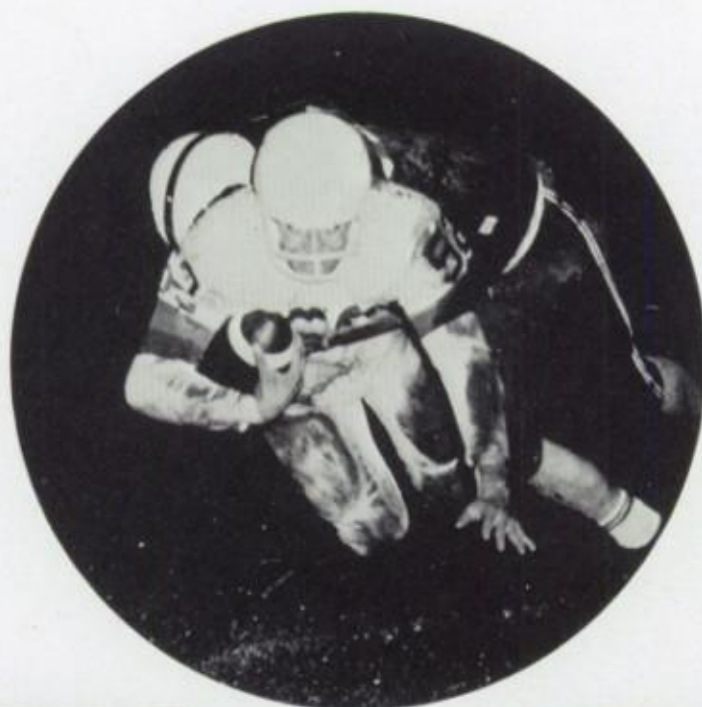

The Junior Varsity football squad is the training ground for the boys in grades nine through eleven who hope to participate in varsity football in the future.

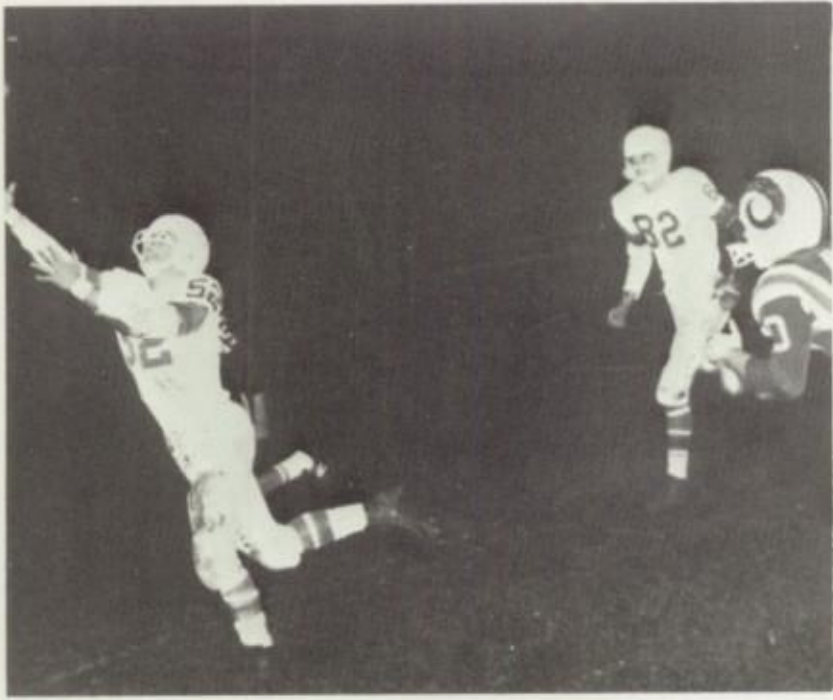

They learn how to play good football under the direction of Coach Frank Lingenfelter.

This year, the Junior Warriors pounded out victories over Glendale and Bucktail Area, and tied Bellwood-Antis; but they suffered heartbreaking defeats in close games with Moshannon Valley, Curwensville, and Bald Eagle Area to finish with a 2-4-1 slate.

Wrestling

The varsity Warriors, under the direction of Coach Gene Dixon, completed the season with an 8-3 log. Coach Dixon has led the matmen through the history of wrestling at West Branch and has made a very successful team.

December 29 and 30, 1966, our Warriors traveled to the Hollidaysburg Tournament. They returned with three champions — Gary Yingling (88 lbs.), Joe Marince (138 lbs.), and Paul Bunyak (165 lbs.).

After the completion of our season, our boys represented our school at the Sectionals at State College. Don Folmar was our lone Sectional Champ and District 6 Champ, gaining the honor as West Branch's first District 6 Mat Titlist.

Junior Varsity Wrestling

The 1966-67 wrestling season proved to be a large success for the West Branch "Little Warriors." Under the supervision of Coach Tinker Richmond the "Little Warriors" ended the season with a record of nine wins and two losses. The JV's always gave the hugh crowds, which attended the matches, a good sample of what was up-coming in the Varsity matches.

The "Little Warriors" started the season by winning its first three matches then dropping a tough one to Tyrone. Two meets later they dropped their second and last match to State College. The "Little Warriors" went on to finish the season by winning their last five matches with big wins over Mount Union, Curwensville, and Huntingdon.

Junior Play

During the school year 1965-1966, ten frightened amateur actresses performed the play, "No Man Alive", which was directed by Mr. Frank Lingenfelter.

A group of nine women flying from Chicago to New York for a party are forced by an accident to land in the Catskill Mountains in the dead of winter. They take refuge in the charred remains of a burned summer hotel while the pilot of their plane goes for assistance. Lack of heat, food, and good comradeship, bring out the characteristics of the women. The supposed theft of their jewelry, the appearance of a man at the window, the sight of another man posed on a rafter in an adjoining room, add to their immediate problems. However, morning brings their rescue and solution of the mystery.

The weeks of diligent rehearsals resulted in a successful production, and the play was considered a success.

Senior Play

Three boys and eight girls paced nervously backstage as they awaited their turn on stage. At its conclusion, the Class of 1967's production of "Too Many Girls" was considered by all concerned as a great success.

Uncle Henry is a confirmed bachelor, much to the horror of the family. There is only one girl in Henry's life, who is now a famous radio commentator. The little family consists of his sister, Laura, and his nieces, Helen and Dulcy; who are just waiting for the day when Uncle Henry will finally meet the right girl. Then comes Spring!
